

Hurworth School

Safety in the Sun Policy

Accepted by: Governing Body – February 2011

Senior Leadership Team Lead Reviewer: James Keating

Review Cycle: 3 Years

Date for Review: February 2014

Wherever necessary and appropriate students are advised of safety precautions in warm weather. To assist the school in this goal we give:

- Students have access to shaded areas.
- Students have access to water.
- The wearing of a baseball cap whilst participating in P.E / outdoor lessons during hot weather is encouraged.
- Safety in the sun precautions are given to parents and students prior to external trips and visits and use of sun cream in these situations is encouraged
- It is the responsibility of all staff to encourage safety in the sun.
