Students **NOT** taking a particular exam will follow their normal timetable.

All bags and coats must be left in tutor rooms. Do not leave any valuables in your coat or bag. Valuables may be left in the office. Please bring the correct equipment with you to all your exams. We expect you to bring with you a pen, pencil, eraser and ruler. You must also bring a calculator, compass and protractor for your maths examinations and a calculator for your science examination. Remember you are not allowed tippex or tippex pens in an exam.

There is a seating plan located in the hall foyer; please look at it and find your seat. This will be yours for the duration of your exams. If you are not allocated a seat in the hall, you will be taking your examinations in a room and you will be advised of this on the morning of each exam.
