2. Introduction

The Board of Trustees of SWIFT Academies is required to approve a governance structure for the Trust which must be:

- ✓ compliant with DfE requirements, company and charity law;
- ✓ scalable and so adaptable to growth or change within SWIFT Academies;
- ✓ reviewed annually by the Trustees.

The governance structure complies with the Academies Financial Handbook and the Articles of Association.

All members, Trustees and Local Governing Body Governors must adhere to the ‘Nolan Principles’ of public life which are:

Selflessness – holders of public office should act solely in terms of the public interest. They should not do so to gain financial or other benefits for themselves, their family or their friends.

Integrity – holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity – in carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability – holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness – holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands it.

Honesty – holders of public office have a duty to declare any private interest relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership – holders of public office should promote and support these principles by leadership and example.

All members, Trustees and Local Governing Body Governors are encouraged to attend training regularly and review training needs annually. The Trust will arrange this training.

Issues identified at the LGB will feed into the Board of Trustees.

The Chairs of the LGB Forum allows representatives to feedback information from each LGB, ensure commonality of reporting to Committees and to identify shared issues.

Members of the Executive Leadership Team may attend these meetings.

Local Governing Bodies (LGBs)

The Trustees are responsible for the performance of each Academy within the MAT; however, a range of responsibilities may be delegated to the LGBs. The levels of delegation will be based upon the principle of “earned autonomy” and decided by the Trustees and the Executive Board and will be dependent upon the strength and capacity of the Academy/school.

The strength and capacity of each Academy/school will be reviewed at least annually and will be based on a combination of their most recent Ofsted grade and the internal review grade of the MAT. Please see table below:-

Model of Earned Autonomy	
MAT & OFSTED Grade combined - 1 to 4	Green
MAT & OFSTED Grade combined - 5	Amber
MAT & OFSTED Grade combined - 6 to 8	Red

Where a school/Academy joins the MAT with grade 1 to 4 from Ofsted/MAT review and with no areas of weakness, then the LGB will have additional delegated responsibilities except for finance, although they will be invited to work in partnership with the Trustees and the Finance Team in planning the Academy budget.

Where a school/Academy joins the MAT with grade 5 from Ofsted/MAT review which has confirmed there are some areas of significant weakness, the LGB will have some delegated responsibilities along with a clear remit to provide support to the Head Teacher/Head of School. All Local Governing Body Governors of such an Academy will re-apply to continue as Local Governing Body Governors within twelve months of joining.

Where a school/Academy joins the MAT with grade 7/8 from Ofsted/MAT review, the existing Governing Body will be replaced by a Local Advisory Board (LAB) if appropriate. The Trustees and Executive Board will be responsible for determining the members of the LAB and in some instances, where their skills will add to capacity may include some members of the existing Governing Body.

Where an Academy is deemed to be at risk of failing its pupils/students, the Trust will exercise the right to reconstitute the LGB and appoint the majority of its members to ensure that the identified weaknesses can be effectively addressed; this may include the implementation of a LAB.

The composition of the LGBs will be:

Governor Category	Number	Term of Office	Appointing Body
Head Teacher/Head of School	1	Ex-officio	N/A
General	Maximum of 5	4 years	Trustees and Executive Board
Parent	2	4 years	Parents by process of election
Teaching Staff	2	4 years	Teachers by process of election
Support Staff	1	4 years	Support Staff by process of election
Representative from the Executive Leadership Team	1	Ex-officio	Appointed by the Executive Leadership Team

A member of the Trust may be appointed to attend meetings of the LGB.

The maximum size of the LGB will be 12 and a Chair and Vice-Chair will be elected annually at the first meeting of the academic year. In a school/Academy where there are less than 150 pupils/students then only one staff Governor will be appointed. All staff in the Academy will be eligible to stand as a Governor and participate in any subsequent ballot process.

All Governors on LGBs will be required to complete a skills audit which will enable the Trust to ensure that Local Governing Body Governors have the necessary skills and experience to contribute to effective Governance.

The LGB will play a crucial role in both supporting and challenging the Academy in particular the Senior Leadership Team. The ability of a LGB to fulfil this role are a vital component in demonstrating the effective leadership of the Academy, and Local Governing Body Governors must know that all pupils/students at the Academy are making progress at least at the rate that is expected of them.

The LGB will be supported and developed by the Trust to ensure that governance is judged to be at least good by Ofsted; this is because we know that where governance is strong, standards of attainment are likely to be higher because pupils/students are well known and supported to be their best, the quality of teaching is a constant focus of attention, and the leadership of the Academy is held to account for the performance and well-being of the pupils/students.

All Governors on the LGB (with the exception of Principal/Head Teacher/Head of School and the Chief Executive Officer) will perform one or more of the following roles:

- Chair
- Vice-Chair
- Premises/Health & Safety Board Governor
- Safeguarding & Welfare Governor
- LAC Governor
- SEN Governor
- Finance Governor
- Values, Community & Equality Governor
- E-Safety Governor
- Careers & Transition Governor
- NQT Governor
- Standards (Teaching, Learning, Curriculum & Progress) Governor

In addition to these specified roles LGB's may also link board members to defined subjects, departments, curriculum areas and Key Stages.

The Trust is fully committed to the development of effective Governance through LGBs and will provide training to assist Local Governing Body Governors in undertaking their role. In addition and where appropriate additional Local Governing Body Governors will be sought to add to the expertise of the LGB.

For schools/Academies joining the MAT discussions will be held with the existing Governing Body on the right membership, size and structure for the new LGB using the model structure in this scheme of delegation.

The LGB in conjunction with the Board of Trustees are responsible for the following areas as aligned with the Competency Framework for Governance (DfE) :

Appendix C: Scheme of Financial Delegation

FINANCE

The centralised financial model has been developed to maximise efficiency and greater value for money through economy and effective management of resources providing complete transparency and accurate financial management throughout the trust. Central costs and professional services are managed by the Trust allowing individual Academies to manage and control delegated funding to focus on key educational outcomes.

The Trust's financial handbook will determine financial policies, responsibilities and levels of authority which will reflect the nature/context of each school/academy within the Trust. All matters in relation to capital, insurance, investments, leases, and land will be reserved for the Trust and any specific income generation or school specific grant funding will be invested in the education of the applicable school. Financial support will be delivered through business support partners who will directly support schools with the budget setting process; management accounts including long term strategic planning ensuring local school objectives are achievable.

Budget responsibility and setting process - all Academy and consolidated group accounts must be submitted to the Board of Trustees for approval by 30 June each year. Indicative budgets must be in place by March each year. All budget information is to be provided using the Trust model template and will include a five-year medium term plan reflecting future development aims and known revenue streams. The Trust Chief Finance Officer and finance team will support LGB's during the budget setting process and will be ultimately responsible for the presentation of the consolidated group accounts to the Board of Trustees.
